

James Girls Heather Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Once upon a time, a very nice customer, asked to hire Mike to shoot a couple pictures of his wife Heather, in the manner of a "Jamesgirl"... a simple commission. A day was scheduled.

Heather arrived for her shoot without make-up, in plain street clothes, and a little nervous, as she'd never posed professionally in her life. Nevertheless, she exhibited a lovely, girl-next-door quality. Mike's make-up glammed her up nicely. But it wasn't until Heather climbed into her first slinky dress that Mike realized what a truly FABULOUS specimen of female pulchritude he had on his hands. Suddenly, it was clear..Heather had what it takes to be an "actual" Jamesgirl ... a great beauty. And, with Mike's shameless pleading, she finally consented to become one.
